Hello, I am a student at Lehigh. I am quite broke and I want to find something to do. I've been feeling down lately.

Response:

You can check some free food around Lehigh: https://www.foodpantries.org/ci/pa-lehigh_valley

Why don't you check out the Lehigh After Dark Program. They always have something fun planned where you can also meet new people.

I'm sorry you are feeling that way at the moment. Please check out Lehigh's mental health faculties. Hope you feel better.
